

M/WBE Analysis of RFP/Bid Respondents

RFP/Bid #: BC-02-18-03-25

Title: Lead Based Paint Testing

M/WBE % Goal: 15.50% Aspirational Composite

The M/WBE office has performed an analysis of the bids submitted by the seven (7) respondents to ascertain whether or not their perspective bids meet the M/WBE percentage aspirational composite goal of 15.5%. Based on the bids submitted, MIHIR Environics, Inc. and Southern Earth Sciences, Inc. met the M/WBE participation level for this project. The other five (5) respondents did not meet the aspirational composite goal. After the application of the County's 5% local preference and the 1% stipulated in the Leon County Purchasing and M/WBE Policy, MIHIR Environics, Inc. a local minority owned company tied with the low bidder for the project. Staff is recommending MIHIR for the Lead-based Paint Testing Project. The M/WBE Office supports the staff's recommendation due to the fact MIHIR Environics, Inc. is a 100% owned Asian M/WBE Firm.
